About Us

ABD SOURCING BANGLADESH is a Bangladesh-based garments buying and sourcing office specializing in knitwear, woven, sportswear, outerwear, and customized apparel solutions for global fashion brands and retailers.

With strong industry experience and a reliable factory network, we provide complete sourcing support from product development to final shipment. Our team focuses on quality assurance, competitive pricing, timely delivery, and smooth communication.

We work closely with our partner factories and buyers to ensure every order is executed according to customer requirements and international standards.

Our Mission

To provide reliable, ethical, and cost-effective apparel sourcing solutions while maintaining the highest standards of quality and customer satisfaction.

Our Vision

To become a globally trusted garments buying office through professionalism, transparency, innovation, and long-term business relationships.
